Product: Oak Buckingham Extending Dining Set with Carvers

Model : Buckingham

Manufacturer : Oakleigh Range

Beautiful oval shaped double pedestal table comes complete with four 42" high back chairs with top cap carving upholstered in modern regency patterned brocade and two matching carvers.

The key feature of this elegant dining set is the extendable table top which is operated by a clever butterfly mechanism as pictured below. The rich medium oak colour of this handsome set will compliment the decor of any traditional or contemporary style room.

A traditional oak dining table that is suitable for all occasions and will look at home amongst any type of decor. Simple and practical, but very well made and beautifully finished, it has decorative chair tops, carefully turned legs and two strong pedestal supports – it would almost be a shame to cover up with a table cloth.

The length can be extended from 150cm to 193cm with ease, thanks to the simple butterfly extension action, meaning there is plenty of extra room for those dinner parties and special occasions.

With four side chairs and two end carver chairs, it is too good to ignore (please see related items below to purchase extra chairs).

Size of table: W150cm (extending to W193cm) x D99cm
